Ooh baby don't you know I suffer?  
Ooh baby can't you hear me moan?  
You caught me under false pretenses  
How long before you let me go?

Ooh you set my soul alight  
Ooh you set my soul alight

(You set my soul alight)  
Glaciers melting in the dead of night  
And superstars sucked into the super-massive

(You set my soul alight)  
Glaciers melting in the dead of night  
And superstars sucked into the super-massive

I thought I was a fool for no one  
Ooh baby I'm a fool for you  
You're the queen of the superficial  
But how long before you tell the truth

Ooh you set my soul alight  
Ooh you set my soul alight

(You set my soul alight)  
Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

(You set my soul alight)  
Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

Like a super-massive black hole  
Super-massive black hole  
Super-massive black hole  
Super-massive black hole

Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

(You set my soul alight)  
Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

(You set my soul alight)  
Glaciers melting in the dead of night  
And the superstars sucked into the super-massive

Like a super-massive black hole  
A super-massive black hole  
A super-massive black hole  
Super-massive black hole
