I think I'm drowning  
Asphyxiated  
I wanna break this spell  
you've created

You're something beautiful  
A contradiction  
I wanna play the game  
I want the friction

You will be the death of me  
Yeah You will be the death of me  
Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

Our time is running out  
Our time is running out  
You can't push it underground  
You can't stop it screaming out

I wanted freedom  
Bound and restricted  
I tried to give you up  
But I'm addicted

Now that you know I'm trapped  
sense of elation  
You'd never dream of

Breaking this fixation

You will squeeze the life out of me

Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

our time is running out  
our time is running out

You can't push it underground  
You can't stop it screaming out  
How did it come to this?  
ooooohh

yeah You will suck the life out of me

Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

our time is running out  
our time is running out  
You can't push it underground  
You can't stop it screaming out  
How did it come to this?  
Oooooohh
