You could be my unintended
Choice to live my life extended
You could be the one I'll always love

You could be the one who listens to my deepest
inquisitions
You could be the one I'll always love

I'll be there as soon as I can
But I'm busy mending broken pieces of the life I had
before

First there was the one who challenged
All my dreams and all my balance

She could never be as good as you

You could be my unintended
Choice to live my life extended
You should be the one I'll always love

I'll be there as soon as I can
But I'm busy mending broken pieces of the life I had
before

I'll be there as soon as I can
But I'm busy mending broken pieces of the life I had
before

Before you
