They'll laugh as they watch us fall,  
The lucky don't care at all,  
No chance for fate,  
It's unnatural selection,  
I want the truth

I am hungry for some unrest,  
I want to push this beyond a peaceful protest,  
I wanna speak in a language that they'll understand

Dedication to a new age,  
Is this the end of destruction and rampage?  
Another chance to erase it then repeat it again

Counterbalance this commotion,  
We're not droplets in the ocean, We're the  
Ocean

They'll laugh as they watch us fall,  
The lucky don't care at all,  
No chance for fate,  
It's unnatural selection,  
I want the truth

No religion or mind virus,  
Is there a hope that the facts will ever find us,  
Just make sure that you are looking out for number 1

I am hungry for some unrest,  
Let's push this beyond a peaceful protest,  
I wanna speak in a language that you will understand

Counterbalance this commotion,  
We're not droplets in the ocean, We're the  
Ocean

They'll laugh as they watch us crawl,  
The lucky don't share at all,  
No hope for fate, it's a random chance selection,  
I want the truth

Try to ride out the storm,

Whilst they'll make you believe, that they are the  
special ones, (we have not been chosen),  
Injustice is the norm,  
You won't be the first and you know you won't be the  
last

Counterbalance this commotion,  
We're not droplets in the ocean, We're the  
Ocean, ocean, ocean

They'll laugh as they watch us fall,  
Unlucky, they don't care at all,  
No chance for fate,  
It's unnatural selection,  
I want the truth,  
I want the truth,  
I want the truth,  
I want the truth
