Nicotine,
Nicotine,
I won't kiss you goodbye,
bitter taste that makes me high.

don't be so bad
to me, cause today I'm sad
kiss my lips one more time,
after all we're partners in crime

Drown in this glass of champagne
bubbles makes me high
It's everything to lose
and nothing to gain

Nicotine,
Nicotine,
you don't cheat and don't lie
you're my perfect aliby.

don't sigh for me,
my fire ignites and set you free
there's no love without desire,
like the smoke from a distant fire

Drown in this glass of champagne
bubbles makes me high
It's everything to lose
and nothing to gain

Nicotine,
Nicotine,
never kiss you goodbye,
bitter taste that makes me high.

Nicotine,
Nicotine,
my best friend and ally
with you till the day I die.

Nicotine
