When the day's done  
we will fade out  
like empty souls  
no one cares about

we're the fallen thoughts  
of an ancient dream  
that repeats itself  
like a falling stream

we will fade  
we will fade out

when you fall asleep  
and the day's gone by  
you will hear us  
whispering our goodbye

we will swim with your heart  
and will rock your dreams  
and when the day's done  
we will fade out

we will fade  
we will fade out
