Get up, get out and do something

Like Cleopatra got the masses at my feet  
Got a living dwell down on easy street  
I'm the latest craze, oh yeah

And if you stay a while  
Inevitably you gone be bitin' my style  
In your later days, well well well

Let me tell you what is fact and what is true  
I get high and that aint that much to do  
I'm always in a daze, ahh

That was just a dream I had  
Last night in my bubble bath  
Next to my wishing well  
Oh yeah, you betta

Get up, get out and do somethin'  
Don't let the days of your life pass you by  
You got to get up, get out and do somethin'  
How will you make it if you never even try

Get up, get out and do somethin'  
Can't spend your whole life tryin' to get high  
You got to get up, get out and do somethin'  
'Cause you and I have to do for you and I

What's been happenin'? How you doin'? Where you  
been?  
I'm further behind now than I was back then  
Lost in some old maze, yeah yeah

Some years have passed me by  
All I want is to go get high  
I'll get it together some other day

And in my dreams I dwell, uh huh huh  
'Cause all my dreams are swell woo, woo, woo

Get up, get out and do somethin'

Don't let the days of your life pass you by  
You got to get up, get out and do somethin'  
How will you make it if you never even try

Come on, get up, get out and do somethin'  
Can't spend your whole life tryin' to get high  
You got to get up, get out and do somethin'  
'Cause you and I have to do for you and I

Get up, get out and do somethin'  
How will you make it if you never even try  
Get up, get out and do somethin'  
'Cause you and I have to do for you and I

In my dreams, I dwell  
'Cause all my dreams are swell, oo  
You would do if you could see them  
That's what I know I gotta go, yeah yeah  
Yeah yeah yeah

Get up, get out and do somethin'  
Your whole life, hey hey  
Get up, get out and do somethin'  
How will you make it if you never even try, baby

Get up, get out and do somethin'  
'Cause you spend your whole life tryin' to get high,  
come on  
Get up, get out and do somethin'  
You and I have to do for you and I, alright

Get up, get out and do somethin'  
Oh no no no, yeah yeah yeah  
Get up, get out and do somethin'  
How will you make it if you never even try, baby

Get up, get out and do somethin'  
Why don't you?  
Get up, get out and do somethin'  
Why don't you?  
Get up, get out and do somethin'  
Why don't you?
