Yesterday, when it seemed so cool
when I walked you home, kissed goodnight
I said it's love, you said allright
It's funny how, I could never cry
until tonight when you passed by
hand in hand with another guy
Dressed to kill and guess who's dying

Ref.: Dance away the heartache, dance away the tears
Dance away the heartache, dance a away the fears

Loneleyness is a crowded room
full of open hearts, turn to stone
all together, all alone
All at once, my whole world has changed
now I'm in the dark, off the wall
Let the strobe light up them all
I close my eyes and dance till dawn

Ref.

Now I know, I must walk the line
until I find an open door,
Up the street on to the floor
There was I, many times a fool
I hope and pray, but not too much
out of reach is out of touch
All the way is far enough
