Make me a deal and make it straight  
All signed and sealed, Iâ€™ll take it  
To Robert E. Lee Iâ€™ll show it  
I hope and pray he donâ€™t blow it â€™cause  
Weâ€™ve been around a long time just try try try tryinâ€™  
to  
Make the big time...  
Take me on a roller coaster  
Take me for an airplane ride  
Take me for a six days wonder but donâ€™t you  
Donâ€™t you throw my pride aside besides  
Whatâ€™s real and make believe  
Baby Janeâ€™s in Acapulco We are flyinâ€™ down to Rio

Throw me a line Iâ€™m sinking fast  
Clutching at straws canâ€™t make it  
Havana sound weâ€™re trying hard edge the hipster  
jiving  
Last picture shows down the drive-in  
Youâ€™re so sheer youâ€™re so chic  
Teenage rebel of the week  
Flavours of the mountain steamline  
Midnight blue casino floors  
Dance the cha-cha through till sunrise  
Open up exclusive doors oh wow!  
Just like flamingos look the same  
So me and you, just we two got to search for something  
new  
Far beyond the pale horizon  
Some place near the desert strand  
Where my Studebaker takes me  
Thatâ€™s where Iâ€™ll make my stand but wait  
Canâ€™t you see that Holzer mane?  
Whatâ€™s her name Virginia Plain
