May Day
Cut down to size again
What then
When less is more my friend
I'll change
Let me start again
Disguise
It's too weird to explain
Why I'll
Always call your name
Adieu; with you
I could be anything
That I want to be
Whirlwind
Wildfire and driving rain
Wheels spin
Bowl me over hurricane
Whirlwind
Crack your cheeks and blow
Me Far
So far
How far
Is Shangri-la from here
And is it this way?
There she blows
Tear me down tornado
Whirlpool
Drag me to the deeps below
Whirlwind
Will a wildcat strike be tame?
Earthquake
Shake me to my feet again
It's crosswords go you near
A fatal clue I fear
This case is closed
Elementally, my dear.
Beware
Whirlwind
