When I went to school
Well I went to school
When I went to school in olympia
And everyone's the same
What do you do
We're the revolution
When I went to school in olympia
And everyone's the same
We look the same
We talk the same
Won't you please make me real
Fuck you
Make me sick
Fuck you
Make me real
Fuck you
When I went to school
In olympia
Everyone's the same
And so are you in olympia
And everyone's the same
We look the same
We talk the same
We even fuck the same
When I went to school in olympia
Don't you please make me real
Come on
Make me sick
Come on
Make me real
Yeah yeah yeah
Do it for the kids yeah
Do it for the kids yeah
Do it for the kids
Do it for the kids
Do it do it do it do it
Do it for the kids
No we're not done yet
When I went to school in olympia
Bye bye good bye
Good bye good bye
