Follow me back to the sunset marquis  
Lock ourselves into the room  
Gamble it all  
And lose it on me  
Until the sorry end  
Until it happens again

And i can tell that we are never gonna be friends  
And i can tell that your lost  
And i can tell that this is gonna have a bad end  
But baby you weren't worth the cost

Face down in front of the sunset marquis  
You were the closest to god  
We can do all the things that no one believes  
People like us do  
They haven't got a clue

Till I'm black and blue  
So cynical  
Baby how do you get so resigned  
I have walked through fire and ridicule  
How do you not see the signs  
Oh descend descended and go you must  
And walk your walk of shame  
But I will have my revenge  
Oh I will have my revenge

Lock ourselves into the sunset marquis  
Set the room on fire  
Play happy neighbours from bad families  
Oh baby you could move  
You could light up a room  
But the light's gone obscene  
It sure looked real to me

And it all blurs down  
How cheaply  
And how fast you'd sell your soul  
That's the stupidest thing I have heard  
Oh how low can you go

And i am not cripple any longer  
Oh i can dance again  
But i will have my revenge  
Oh i will have my revenge

And i can tell that you have come to burn me down  
You better burn me all the way  
And t his will end in tears with alllost An dnone found  
You set the fore and I'll juts pray

And ican tell that this is goin down in flames  
And i am atrophied in ashes  
I hope you took some ..some pleasure from my pain  
Its juts a story you can cash in

And noone knows where we go  
And i kno wthat you don't care  
But you are the overseer  
Of the depths of my despair

And it's glorius and dead  
And i know that you aren't there  
But you are the unfortunate  
Your the depths of my despair
