And the sky was made of amethyst  
And all the stars were just like little fish  
You should learn when to go  
You should learn how to say no  
Might last a day  
Mine is forever  
Might last a day  
Mine is forever  
When they get what they want  
They never want it again  
When they get what they want  
They never want it again  
Go on take everything  
Take everything  
I want you to  
Go on take everything  
Take everything  
I want you to  
And the sky was all violet  
The more it gets violet more violence  
And I'm the one with no soul  
One above and one below  
Might last a day  
Mine is forever  
Might last a day  
Mine is forever  
When they get what they want  
When they never want it again  
When they get what they want  
When they never want it again  
Go on take everything  
Take everything  
I want you to  
Go on take everything  
Take everything  
I dare you to  
I told you from the start  
Just how this would end  
When I get what I want  
When I never want it again  
Go on take everything

Take everything  
I want you to  
Go on take everything  
Take everything  
I want you to  
Go on take everything  
Take everything i want you to  
Go on take everything  
Take everything i want you to  
Go on take everything  
Take everything  
Take everything
