I work at the 7-11, that's how I get all my pay.  
Sometimes  
I work all  
The night, sometimes I work all the day. I sell junk to all  
of my  
Friends, I  
sell almost everything. Pizza pies and chicken pies,  
even  
Eraseable pens.  
I'm just an average guy, every day I risk my life. Please  
don't kill  
Me tonight, there's only a twenty in the register,  
alright?  
Strange things happen to me every day, my boss says  
you just learn to  
Say: all I do is wait and wait and pray:  
"will I  
make it through  
Another hectic day?" Every hour I supersceme my life,  
my parents  
Wondering if I was raised up right. I got three cameras  
to film the  
Bloody sight of people who may just murder me  
tonight.  
I'm just an average guy, every day I risk my life. Please  
don't kill  
Me tonight, there's only a twenty in the register,  
alright?  
My work also has it's benefits, I get to watch people fit  
all that  
They can fit into their coats and pockets with hand  
because noone is  
Afraid of the 7-11 man. Cokes, jelly beans, and bagels  
so right,  
Eating packs of chewing gum all threw the night. Six  
more hours the  
Sun will rise and I'm just a working man who's trying to  
survive.  
I'm just an average guy, every day I risk my life. Please  
don't kill  
Me tonight, there's only a twenty in the register,

alright?
