Hiding inside my projection of me unreal.
Wake up! wake up!
No! i'm safe inside my cage i built so well.
No! release me cause i'm ready now. take me now.

Hold my hand, i'll lead the way. We're gliding down to
find you.

Here we are inside. is it makebelieve, is it more than
dreams?
Overcoming disbeliefs of who we are.

My senses are becoming a big and steady warning that
years and years of living with an image of my worth will
kill the boy and hide his toy. The way he knew i'll never
know

(You just) Hold my hand (and) i'll lead the way. We are
gliding down to find you.

Here we are inside. is it makebelieve, is it more than
dreams?
Overcoming disbeliefs of who we are.

Here we are inside (answers). its not makebelieve, yes
its more than dreams.
Overcomed our disbeliefs of who we are
