MuteMath "Peculiar People"

Visit "Peculiar People" on MotoLyrics.com

We can fly with the wings of eagles We can fly with the wings of eagles We are peculiar people this I know An' we can fly with the wings of eagles

We are peculiar people
We are peculiar people
We must set our hope and future to the sky
We are peculiar people
We are peculiar people
We will shed our human skin and learn to fly

With a word we can drown a mountain
With a word we can drown a mountain
Into the seas surrounding, don't you know?
Don't you know
With a word we can drown a mountain?

We are peculiar people
We are peculiar people
There is more to who we are than meets the eye
We are peculiar people
We are peculiar people
And no one will convince me otherwise

We were born to, we were born to
We were born to fly
You and I, we're summoned to the sky, yeah
We were born to, we're
We were born to fly

We were born to, we were born to
We were born to fly
You and I, we're summoned to the sky, yeah
We were born to, we're
We were born to fly

We were born to, we were born to We were born to fly You and I, you and I

Fly with the wings of eagles

We can fly with the wings of eagles We are peculiar people this I know Yes, I know We can fly with the wings of eagles

We are peculiar people
We will shed our human skin and learn to fly

We are peculiar people
We are peculiar
We are now, we are now
We are peculiar people
We will shed our human skin and learn to fly

We will shed our human skin and learn to fly
