"Spotlight"

Ahh, aah, ahh, aah

You got a whole lot left to say now
You knocked all your wind out
You just tried too hard and you froze
I know, I know

What do you say?
What do you say?

Just take the fall, you're one of us
The spotlight is on
Ahh, aah, ahh, aah
Oh the spotlight is on
Ahh, aah, ahh, aah

You know the one thing you're fighting to hold
Will be the one thing you've got to let go
And when you feel the wall cannot be burned
You're gonna die to try what can't be done
Gonna stay stay out but you don't care
Now is there nothing like the inside of you anywhere

Oh, just take the fall, you're one of us
The spotlight is on
Ahh, aah, ahh, aah
Oh the spotlight is on
Ahh, aah, ahh, aah
Yeah, it's on

Because everyone would rather watch you fall
(All and each other)
And we all are, yeah
(All and each other)
And we all are, yeah
(All and each other)

Just take a fall, you're one of us
The spotlight is on
Ahh, aah, ahh, aah

Oh, the spotlight is on
(Just take the fall)

Now you're one of us
Now you're
(Oh)
Now you're
(Oh)
Now you're
(Oh)

Now you're one of us
Now you're
(Oh)
Now you're
(Oh)
Now you're one of us

Oh, the spotlight is on
Ahh, aah, ahh, aah
