"You are mine"

Everyone has their obsession
Consuming thoughts, consuming time
They hold high their prized possession
That defines the meaning of their life

(chorus)
You are mine (x2)
You are mine, all mine
You are mine (x3)
You are mine, all mine
You are mine

There are objects of affection
That can mesmerize the soul
There is always one addiction
That just cannot be controled

(chorus x2)
You are mine
You are mine
You are
You are
You are mine (x4)

Everyone has their obsession
Consuming thoughts, consuming time
They hold high their prized possession
They hold high their prized possession...

(chorus)
