You pushed me down
I took your life to pay the
Debt
That you owed
You pushed me down
I tried to love you but my
Love
Didn't show
You called me out
You plaed a card that
Meant
You pushed me down
I left you stranded in a
Deep bloody sea
Pre chorus:
Your still my rose just in
Somebody elses garden
I had to cut you down
You were growing too far
From me
Chorus:
I don't need you
I can't feel you
I can't help you
I don't love you
You stole my soul
I gave you freedom to love
All that you can
You stole my soul
I fixed the damaged that was
Eating you down
You stole my soul
And once again your
Growing too far away
You pushed me down
I took your life to pay the
Debt that you owed
You pushed me down
I tried to love you but my
Love didn't show
You called me out
You played a card that

Meant
Too much to me
You pushed me down
I left you stranded in a deep
Bloody sea
(pre chorus:)
(chorus:)
