I couldn't see the pain of love
She had yet seen
A broken toy in front of me
Let me touch the chosen one
The laugh of the calf rained
Down
The blind raining down the
Blind
Chorus:
Look at me
Don't really care
I can be
A loser born
Evil mind
You put me here
Swimming dry water
Standing up
Knocking you down
Love my mind
Hate your soul boy
Drink from a rock
The world ain't round
Swimming dry water
Living what you see
Think you got me worried
Knocking all the time
There's nobody there
Beg for vengeance
In a dead man's bottle
Clinging so close to
The love that you fear
Buckle tight while you're
Running away
The bones are chasing me
(chorus:)
(solo:)
Chorus:
Look at me
Don't really care
I can be
A loser born
Evil mind

You put me here
Swimming dry water
Loving what you hate
It's a ghost for savior
In a dying world
Redemption so near
Beg for vengeance
In a deadman's bottle
Cling so close to the one that
You fear
Buckle tight while you're
Running away
The bones are chasing me
(chorus:)
