

## Mutiny Within "Images"

Try to control my senses  
Inside the picture is life  
An instance in my head  
The image so blissful

Reminds me of all that I've had  
(And all that I've lost)  
The image will fade

But I can't let go of the memory  
It's all in my head  
And I can't hold on to what's gone  
Time breaks me down

Try to forget what's haunting me  
Destroy what's reminding  
Leave behind what's inside me  
The image will fade

But I can't let go of the memory  
It's all in my head  
And I can't hold on to what's gone  
Time breaks me down

I can't hold on (I can't hold on)  
It haunts me

But I can't let go of the memory  
It's all in my head  
And I can't hold on to what's gone  
Time breaks me  
But I can't let go of the memory  
It's all in my head  
And I can't hold on to what's gone  
Time breaks me down
