Intro:]

I wanna let you know  
That you dont have to go  
Dont wonder no more  
What I think about you

[Chorus:]

If it's lovin that you want  
You should make me your girl, your girl  
If it's lovin that you need  
Baby come and share my world, share my world  
If it's lovin that you want  
Come and take a walk with me, with me  
Anything that you need  
I got it right here baby, baby

[Verse 1:]

Now it's obvious you need a friend to  
Come hold you down  
With that one to share your everything when  
No ones around  
Baby come tell me your secrets and  
Tell me all your dreams  
Cause I can see you need someone to trust  
You can trust in me

[Bridge:]

dee dee dee dee dee dee dee dee da dee day  
So just call me whenever your lonely  
dee dee dee dee dee dee dee dee da dee day  
I'll be your friend I can be your homie

[Chorus:]

If it's lovin that you want  
You should make me your girl, your girl  
If it's lovin that you need  
Baby come and share my world, share my world  
If it's lovin that you want  
Come and take a walk with me, with me  
Anything that you need  
I got it right here baby, baby

[Verse 2:]

It's been so long i've had this feelin  
That we could be  
Everything you've ever wanted and your, your fantasy  
I won't push to hard to break your heart  
Cause my loves sincere  
And i'm not like any other girls you know  
So let me erase your fears

[Bridge:]

dee dee dee dee dee dee dee dee da dee day  
So just call me whenever your lonely  
dee dee dee dee dee dee dee dee da dee day  
I'll be your friend I can be your homie

[Chorus: 2 times]

[Bridge]

[Chorus]

I wanna let you know  
That you don't have to go  
Don't wonder no more  
What I think about you
