Opening the doorway of affliction  
Opening the gates of Hell  
Here I stand, the evil addiction  
No return, no parallel

This energy, it's pulling me  
Into the dark, over and over again

Proceed, on our way  
The possession has started  
The altar of evil, it lives  
Believe and obey  
The altar of evil  
Condemning and never forgives

Summoning, disciples of deception  
Carry out the one command  
Conjuring, the deadliest devotion  
We are one, come take my hand

This energy, it's pulling me  
Into the dark, over and over again

Proceed, on our way  
The possession has started  
The altar of evil, it lives  
Believe and obey  
The altar of evil  
Condemning and never forgives

This energy, it's pulling me  
Into the dark, over and over again

Proceed, on our way  
The possession has started  
The altar of evil, it lives  
Believe and obey  
The altar of evil  
Condemning and never forgives  
Proceed, on our way  
The possession has started  
The altar of evil, it lives

Believe and obey  
The altar of evil  
Condemning and never forgives
