

My Awesome Compilation "Butterflies"

Visit "[Butterflies](#)" on MotoLyrics.com

As i stare up to the stars in the sky,
you're a sight for sore eyes,
a thousand times i've seen this sky,
and i still get butterflies.

Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling,
Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling.

As i stare up to the stars in the sky,
you're a sight for sore eyes,
a thousand times i've seen this sky,
and i still get butterflies.

Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling,
Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling.

Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling,
Heres my chance to make a difference,
it's good how you could miss me,
you missed an awesome feeling
