Once more you open up again,  
let me know more than i need to.  
Sometimes you've gotta think before you speak,  
just leave it, the word love's a better way i feel.

And i'm sorry i left you behind  
(sorry i left you behind)  
And i'm sorry i left you behind  
(so sorry)

I know that i can't say its been one week,  
so don't tell me!  
I know that i can't say its been one week,  
so don't tell me!

I'm giving up, i'm giving up,  
i want to tell you this so,  
I'm giving up, i'm giving up,  
i'm giving up all i own to you
