There's a hundred good reasons for the choices I've made,  
You'll make your wishes and you'll get your breaks,  
Put up a fight...I believe in you,  
I believe in...

There's a hundred good reasons for the choices I've made,  
You'll make your wishes and you'll get your breaks,  
Put up a fight...I believe in you,  
So what does this mean if this means anything,  
Too many words and not enough feeling,  
Put up a fight, I believe in you,

And I believe that,  
All these small chances will one day,  
Add up to everything  
All these small chances will one day,  
Add up to everything,

There's a hundred good reasons for the choices I've made,  
It's not a case of too little too late,  
Put up a fight...I believe in you,  
So what does this mean if this means anything,  
It's good to see that you're still trying,  
Put up a fight...I believe in you,

And I believe that,  
All these small chances will one day,  
Add up to everything  
All these small chances will one day,  
Add up to everything,

How does satisfaction feel?  
Are you feeling good?  
Does it feel like...

All these small chances will one day,  
Add up to everything  
All these small chances will one day,

Add up to everything,

All these small chances will one day,  
Add up to everything  
All these small chances will one day,  
Add up to everything,

There's a hundred good reasons for the choices I've  
made,  
There's a hundred good reasons for the choices I've  
made,  
There's a hundred good reasons for the choices I've  
made,  
There's a hundred good reasons for the choices I've  
made.
