Mind set to go
You can do anything
Mind set to go
You can do anything

Mind set to go!

Thank god for the New Year
It's been a long time; it's been a long time coming
We'd never felt this, if we had quit
We've got the drive and the will to succeed

Who'd have thought that we'd be here?
It's been a tough ride but we'll get by this time
Nothing happens unless you make it
We've had a taste now we're not waiting

Mind set to go
You can do anything
Mind set to go
You can do anything

This life is for living!

But you can't take any luck for granted
We're all characters in the making
Let's complete this
Let's complete this!

Mind set to go
You can do anything
Mind set to go
You can do anything

-Guitar Section-

Mind set to go
You can do anything
Mind set to go
You can do anything

Mind set to go
You can do anything
Mind set to go
You can do anything
