It was such a rainy day water drops lets the august colors go away reassured by these thin window that

separate me from the evident, decadent, but shiny and dancing summer ending

Whistle, pouring water

Whistle, pouring water

Never, Never more

Never, Never more

Silence!

Always feel the train departure like a lack of self-

confidence

Always feel the train departure like a lack of self-

confidence

I've signed the ticket in

I've not signed the ticket yet,

But Love on Cabin Class, with a first class appearence

is totally

totally different
