Performed by Sophie Zelmani)

If it wasn't the oceans,

wasn't the breezes,

wasn't the white sands,

I might not be needed,

If I could sleep through the coal mines,

If I could breathe through hatred,

If I could, work through the summer,

then I wouldn't feel so humble,

oh you, it's always you,

it's always you.

If red roses weren't so lovely,

Wine didn't taste so good,

Stars weren't so romantic,

Then I could do what I should

Oh you, it's always you

It's always you.

Oh you, it's always you

It's always you

If you love, I could command it,

Get your head, to understand it,

I'd go twice, around the world,

Even though, I may not find it.

Oh you, it's always you,

It's always you.

You, it's always you,

It's always you
