Performed by Amanda Marshall)

It's time to let you go

It's time to say goodbye

There's no more excuses

No more tears to cry

There's been so many changes

I was so confused

All along you were the one

All the time I never knew

I want you to be happy

You're my best friend

But it's so hard to let you go now

All that could have been

I'll always have the memories

She'll always have you

Fate has a way of changing

Just when you don't want it to

Chorus

Throw away the chains

Let love fly away

Till love comes again

I'll be okay

Life passes so quickly

You gotta take the time

Or you'll miss what really matters

You'll miss all the signs

I've spent my life searching

For what was always there

Sometimes it will be too late

Sometimes it won't be fair

Chorus

I won't give up

I won't give in

I can't recreate what just might have been

I know that my heart will find love again

Now is the time to begin

Chorus

I can't hold on forever baby

I'll be okay
