I don't want a lot for Christmas  
There is just one thing I need  
I don't care about the presents  
Underneath the Christmas tree  
I just want you for my own  
More than you could ever know  
Make my wish come true, baby all I want for christmas  
is you

I don't want a lot for Christmas there is just one thing I  
need  
And I don't care about the presents underneath the  
Christmas tree  
I don't need to hang my stocking, way above the  
fireplace  
Santa Clause won't make me happy with a toy on  
christmas day

I just want you for my own  
More than you could ever know  
Make my wish come true  
Baby all I want for christmas is you, babe baby.

I won't ask for much this Christmas  
I won't even wish for snow (oh I won't even wish for  
snow)  
I'm just gonna keep on waiting underneath the  
mistletoe  
I won't make a list and send it, to the North Pole for  
St.Nick  
Won't even stay awake to hear the magic reindeer play

Cause I just want you here tonight  
Holdin' on to me so tight  
What more can I do?  
Oh baby all I want for christmas is you, oh baby

Oh how the lights are shining surrounding everywhere  
(surrounding everywhere)  
Where the sounds of children's laughter fills the air  
And everyone is singin'  
Oh I hear those sleigh bells ringin'

Santa won't you bring me the one I really need  
Won't you bring back my baby to me?

I don't want a lot for Christmas  
This is all I'm askin for  
I just want to see my baby  
Standing right outside my door

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you  
Is you, you,  
All I want is you  
All I want is you  
All I want is you  
All I want is you

You, you, you, you, you, you, you...
