Well they encourage your complete cooperation  
Send you roses when they think you need to smile  
I can't control myself because I don't know how  
And they love me for it honestly I'll be here for a while

So give them blood, blood, gallons of the stuff  
Give them all that they can drink and it will never be  
enough  
So give them blood, blood, blood  
Grab a glass because there's going to be a flood  
A celebrated man amongst the gurneys  
They can fix me proper with a bit of luck  
The doctors and the nurses they adore me so  
But it's really quite alarming ?cause I'm such an awful  
\*\*\*\*

(Why thank you!)

I gave you blood, blood, gallons of the stuff  
I gave you all that you can drink and it has never been  
enough  
I gave you blood, blood, blood  
I'm the kind of human wreckage that you love!
