Gravity

Don't mean too much to me

I'm who I've got to be

These pigs are after me

After you

Run away

Like it was yesterday

And we could run away

If we could run away

Run away

From here

I got a Bulletproof Heart

You got a Hollow point Smile

Me and your Runaway scars

Got a photograph dream on the Getaway Mile.

Let;s blow a hole in this town!

Too much talking with a lazerbeam

Gunnin' out of this place in a bullet's embrace

Then we'll do it again.

How can they say

"Jenny could you come back home"?

'Cause everybody knows you don't

Ever wanna come back

Let me be the one to save you

(Chorus)

Gravity

Don't mean too much to me

I'm who I've got to be

These pigs are after me

After you

Run away

Like it was yesterday

When we could run away

When we could run away

Run away
From here!

(Instrumental)

I'm shootin' out of this room
Because I sure don't like the company
Stop your preachin' right there
'Cause I really don't care
And I'll do it again

So get me out of my head!
'Cause it's getting kind of cramped, You know
Comin' ready or not
When the motor gets hot

We could do it again!

The paper's say
"Johnny won't you come back home?"
'Cause everybody knows you don't
Wanna give yourself up
Tell the truth
And God will save you

(Chorus)
Gravity
Don't mean too much to me
I'm who I've got to be
These pigs are after me
After you

Run away
Like it was yesterday
And we could run away
If we could run away
Run away
From here

(Instrumental)

And though
I know
How much you hate this
Are you gonna be the one to save us?

From
The black
And hopeless feeling
Will you mean it when the end comes reeling?

Hold your heart
Into this darkness
Will it ever be the light to shine you
Out
Or fail
And leave you stranded

I ain't gonna be the one left standing
You ain't gonna be the one left standing
We ain't gonna be the ones left standing

(Chorus)
Gravity
Don't mean too much to me
Is this our destiny?
This world is after me
After you

Run away
Like it was yesterday
And we could run away
Run away
Run away
Run away
From here!

Yeah!

Away from here

Away
From
Here.
