Turn away,
If you could get me a drink
Of water 'cause my lips are
chapped and faded
Call my aunt Marie
Help her gather all my things
And bury me in all my favorite colors
My sisters and my brothers, still
I will not kiss you,
'Cause the hardest part of this
Is leaving you.

Now turn away,
'Cause I'm awful just to see
'Cause all my hair's
abandoned all my body,

Oh my agony
Know that I will never marry,
Baby, I'm just soggy from the chemo
But counting down the days to go.
It just ain't livin'.
And I just hope you know
That if you say
Good-bye today
I'd ask you to be true
'Cause the hardest part of this
is leaving you...

'Cause the hardest part of this
is leaving you...
