Well I was there on the day  
They sold the cause for the queen  
And when the lights all went out  
We watched our lives on the screen  
I hate the ending myself  
But it started with a alright scene

It was the roar of the crowd that gave me heartache to  
sing  
It was a lie when they smiled and said you won't feel a  
thing  
And as we ran from the cops  
We laughed so hard it would sting (yeah, yeah, oh)

If I'm so wrong (so wrong, so wrong)  
How can you listen all night long (night long, night  
long)  
Now will it matter after I'm gone  
Because you never learn a God damn thing

You're just a sad song  
With nothing to say  
About a lifelong wait for a hospital stay  
And if you think that I'm wrong  
This never meant nothing to ya

I spent my high school career  
Spit on and shoved to agree  
So I could watch all my heros  
Sell a car on T.V.  
Bring out the old guillotine  
We'll show them what we all mean (yeah, yeah, oh)

If I'm so wrong (so wrong, so wrong)  
How could you listen all night long (night long, night  
long)  
Now will it matter after I'm gone  
Because you never learn a God damn thing

You're just a sad song  
With nothing to say

About a lifelong wait for a hospital stay  
And if you think that I'm wrong  
This never meant nothing to ya

So go  
Go away  
Just run  
Run away  
But where did you run to?  
Where did you hide?  
Go and find another way  
Price you pay

You're just a sad song  
With nothing to say  
About a lifelong hospital stay  
And if you think that I'm wrong  
Then this never meant nothing to ya  
C'mon  
You're just a sad song  
With nothing to say  
About a lifelong hospital stay  
And if you think that I'm wrong  
Then this never meant nothing to ya  
At (at all, at all, at all)
