always see her you walking down the street
pink streaks and converse on her feet
doesn't wear the makeup most girls need ,no need to
be.

friday morning when I looked out of window
put the music loud
punk rock and little bit of emo
makes you scream and shout

she's a new girl on the road
since the first time saw and I wanted more
only this and more and more
she is the one that i adore (Yeah!)

when I see her at my show
then i what to do
the answer in nooo
Then out came a boyfriend
and looks like a girlfriend
Ooh!

she's a new girl on the road
since the first time saw her and i want it more
only this and more and more
she is the one that i adore (Yeah!)

Don't tell me that i don't know
where's been down freakin' on you
Let's Go!

she's a new girl on the road
since the first time sawn and i want it more
only this and more and more
she is the one that i adore (Yeah!)

Nonono nonono nonono nonono nonono nonono
nonono nonono

Don't tell me that i don't know
where's been down freakin' on you
