Oh baby here comes the sound!  
I took a train outta New Orleans and they shot me full of  
ephedrine  
This is how we like to do it in the murder scene  
Can we settle up the score?

If you were here I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday

You're beautiful!

Well I'm a total wreck and almost every day  
Like the firing squad or the mess you made  
Well don't I look pretty walking down the street,  
In the best damn dress I own?

If you were here I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words can ever say

Some might say we are made from the sharpest things  
you say  
We are young and we don't care (oh whoa ow)  
Your dreams and your hopeless hair (oh whoa ow)  
We never wanted it to be this way  
For all our lives  
Do you care {at all}?

If you were here I'd never have a fear  
So go on live your life  
But I miss you more than I did yesterday  
You're so far away  
So c'mon show me how  
'Cause I mean this more than words can ever say

(What'd you call me?)  
(Well, there's no way I'm kissing that guy!)
