Yeah

Well let's go back to the middle of the day that starts it
all

I can't begin to let you know just what I'm feeling
And now the red ones make me fly
And the blue ones help me fall
And I think I'll blow my brains against the ceiling
And as the fragments of my skull begin to fall
Fall on your tongue like pixie dust just think happy
thoughts

And we'll fly home
We'll fly home
You and I
We'll fly home

Come on

Well now i'm back in the middle of the day that starts it
all

I can't begin to let you know just what I'm feeling
And now these red ones make me fly
And the blue ones help me fall
And I think I'll blow my brains against the ceiling
Now

We'll fly home
You and I
We'll fly home

Now honestly, that's what I said to her
What I said to her

Yeah

Think happy thoughts
Think happy thoughts
Think happy thoughts
Think happy thoughts
Think happy thoughts

Think happy thoughts
Think happy thoughts
Think happy thoughts
Think ha... woah
