Hear the sound  
The angels come screaming  
Down your voice  
I hear you've been bleeding  
Make your choice  
They say you've been pleading  
Someone save us

Heaven help us now  
Come crashing down  
We'll hear the sound  
As you're falling down

I'm at this old hotel,  
But can't tell if I've been breathing or sleeping or  
screaming or waiting for the man to call  
or maybe all of the above  
Cause mostly I've been sprawled on these cathedral  
steps while spitting out the blood and screaming  
Someone save us

Heaven help us now  
Come crashing down  
We'll hear the sound  
As you're falling down

And will you pray for me?  
Or make a saint of me?  
And will you lay for me?  
Or make a saint of?

Cause I'll give you all the nails you need  
Cover me in gasoline  
Wipe away the tears of blood again  
And the punch line to the joke is asking  
Someone save us

Heaven help us now  
Come crashing down  
We'll hear the sound  
As you fall

And would you pray for me?  
(You don't know a thing about my sins)  
(How the misery begins)  
Or make a saint of me?  
(You don't know)  
(So I'm burning, I'm burning)  
And will you lay for me?  
(You don't know a thing about my sins)  
(How the misery begins)  
Or make a saint of me?  
(You don't know)  
(Cause I'm burning, I'm burning)

Cause I'll give you all the nails you need  
(I burning, I'm burning)  
Cover me in gasoline again
