The amount of pills I'm taking counteracts the booze
I'm drinking
And this vanity I'm breaking, lets me live my life like
this
And well I find it hard to stay, with the words you say
Oh baby let me in
Well I'll choose the life I've taken, never mind the
friends I'm making
And the beauty that I'm faking lets me live my life like
this
And well I find it hard to stay, with the words you say
Oh baby let me in
And you can cry all you want to, I don't care how much

You'll invest yourself in me, we're not working out
And you can't touch my brother and you can't keep my
friends
And we're not working out, we're not working out
This time I mean it, never mind the times I've seen it

Well I hope I'm not mistaken by the news I heard from
waking
And it's hard to say I'm shaken, by the choices that I
make
And well I find it hard to stay, with the words you say
Oh baby let me in
Well I'll choose this life I've taken, never mind the
friends I'm making
And I get a little shaken, because I live my life like this
And well I find it hard to stay, with the words you say
Oh baby let me in
And you can cry all you want to, I don't care how much

You'll invest yourself in me, we're not working out
And you can't keep my brother, and you won't fuck my
friends
And we're not working out, we're not working out
This time I mean it, never mind the times I've seen it

Never again, never again
Oh baby let me in, I'm knocking let me in
