Well, when you go  
Don't ever think I'll make you try to stay  
And maybe when you get back  
I'll be off to find another way

And after all this time that you still owe  
You're still a good-for-nothing I don't know  
So take your gloves and get out  
Better get out while you can

When you go would you even turn to say  
"I don't love you like I did yesterday"?

Sometimes I cry so hard from pleading  
So sick and tired of all the needless beating  
But baby when they knock you down and out  
It's where you oughta stay

Well after all the blood that you still owe  
Another dollar's just another blow  
So fix your eyes and get up  
Better get up while you can, whoa whoa

When you go would you even turn to say  
"I don't love you like I did yesterday"?  
Well come on, come on!

When you go would you have the guts to say  
"I don't love you like I loved you yesterday"?

I don't love you like I loved you yesterday  
I don't love you like I loved you yesterday
