Gaze into her killing jar I'd sometimes stare for hours
She even poked the holes so I can breathe
She bought the last line, I'm just the worst kind
Of guy to argue with what you might find
And for the last night I lie, could I lie with you?

Alright, give up, get down
It's just the hardest part of living
Alright, she wants
It all to come down this time

Lost in the prescription, she's got something else in
mind
Check into the Hotel Bella Muerte
It gives the weak flight, it gives the blind sight
Until the cops come or by last light
And for the last night I lie, could I lie next to you?

Alright, give up, get down
It's just the hardest part of living
Alright, she wants
It all to come down this time

Alright, give up, get down
It's just the hardest part of living
Alright, she wants
It all to come down this time

Pull the plug but I'd like to learn your name
And holdin' on, well, I hope you do the same
Aww, sugar, slip in to this tragedy
You've spun this chamber dry

Alright, give up, get down
It's just the hardest part of living
Alright, she wants
It all to come down this time

Alright, give up, get down
It's just the hardest part of living
Alright, she wants
It all to come down this time

Oh, pull the plug but I'd like to learn your name
And holdin' on, well, I hope you do the same
Aww, sugar
