Look alive, Sunshine
109 in the sky but the pigs won't quit
You're here with me: Dr. Death Defying
I'll be your surgeon, your proctor, your helicopter
Pumpin' out the slaughtermatic sounds to keep you
alive
A system failure for the masses, anti-matter for the
master plan
Louder than God's revolver and twice as shiny

This one's for all of you rock'n'rollers
All you crash queens and motor babies

Listen up!
The future is bulletproof!
The aftermath is secondary!
It's time to do it now and do it loud!
Killjoys, make some noise!
