Mama we all go to hell,  
Mama we all go to hell.  
I'm writing this letter and wishing you well,  
Mama we all go to hell.

Oh well now,

Mama we're all gonna die,  
Mama we're all gonna die.  
Stop asking me questions,  
I'd hate to see you cry  
Mama we're all gonna die.

And when we go don't blame us, yeah  
We'll let the fires just bathe us, yeah  
You made us oh so famous,  
We'll never let you go,  
And when you go don't return to me my love.

Mama we're all full of lies,  
Mama we're meant for the flies  
And right now they're building a coffin your size,  
Mama we're all full of lies.

Well mother, what the war did to my legs and to my  
tongue,  
You should have raised a baby girl,  
I should have been a better son.  
If you could  
Coddle the infection  
They can amputate at once.  
You should have been,  
I could have been a better son.

And when we go don't blame us, yeah  
We'll let the fires just bathe us, yeah  
You made us oh so famous,  
We'll never let you go.  
She said 'You ain't no son of mine',  
For what you done they're gonna find, yeah,  
A place for you and just you mind,  
Your manners when you go.

And when you go don't return to me my love.

That's right.

Mama we all go to hell,  
Mama we all go to hell.  
It's really quite pleasant,  
Except for the smell.  
Mama we all go to hell.

Two, three, four.

Mama!  
Mama!  
Mama!  
Ohhhhhh!  
Mama!  
Mama!  
Mama!  
Ma...

And if you would call me your sweetheart,  
I'd maybe then sing you a song.

But the shit that I've done,  
With this fuck of a gun,  
You would cry out your eyes all along.

[Chorus]  
We're damned after all,  
Through fortune and flame we fall.  
And if you can say then I'll show you the way to return  
from the ashes you call...

We all carry on,  
When our brothers in arms are gone.  
So raise your glass high,  
For tomorrow we die,  
And return from the ashes you call...

(Woman Crying In Background)
