Gonna take off all my skin  
Tear apart all of my insides  
When they rot from within  
Mom, I don't think you'll be saved

They never had the time  
They're gonna medicate your lives  
You were always born a crime  
We salute you in your grave

Can't find my way home  
But it's through you and I know  
What I'd do just to get back in her arms

Can't find my way home  
But it's through you and I know  
What I'd do just to get back in her arms

I have markers  
I seven different shades, oh, shit  
So what's your favorite color, punk?

So, you wanna hold my hand?  
Could you sign this photograph  
'Cause I'm your biggest fan  
Would you leave me lying here?

We're not here to pay a compliment or sing about the  
government  
Oxycodone genocide, adolescent suicide  
I'll give you my sincerity, a fuck about a Kennedy  
Here's what I've got to say

Can't find my way home  
But it's through you and I know  
What I'd do just to get back in her arms

Can't find my way home  
But it's through you and I know  
What I'd do just to get back in her arms

No way home, why, no way home, why

We've got to go, we've got to go, we've got to go  
(No way home, why, no way home, why)  
We've got to go, we've got to go, we've got to go

Can't find my way home  
But it's through you and I know  
What I'd do just to get back in her arms

Can't find my way home  
But it's through you and I know  
What I'd do just to get back, well, in her arms

Can't find the way, can't find the way  
I can't find the way, yeah, yeah, yeah, yeah  
I can't find the way, I can't find the way  
I can't find the way, yeah, yeah, yeah, yeah

Come on angel, don't you cry  
Come on angel, don't you cry  
Come on angel, don't you cry  
Come on angel, don't you cry
