We could be perfect one last night  
And die like star crossed lovers when we fight  
And we can settle this affair  
If you would shed your yellow  
Take my hand and then  
We'll solve the mystery of laceration gravity  
This riddle of revenge  
Please understand it has to be this way and  
Stand  
Up fucking tall  
Don't let them see your back and  
Take  
My fucking hand  
And never be afraid again  
We've only got one chance to put things at an end  
And cross the patron saint of switchblade fights  
You said  
We're not celebrities  
We spark and fade  
They die by threes  
I'll make you

Understand  
And you can trade me for an apparition  
Stand  
Up fucking tall  
Don't let them see your back and  
Take  
My fucking hand  
And never  
Trust  
You said, who put the words in your head  
Oh, how wrong we were to think  
That immortality meant never dying  
Stand  
Take My Fucking Hand  
Take my fucking  
Stand  
Up fucking tall  
Dont let them see your back  
And take  
My fucking hand and never be afraid again

JUST BECAUSE MY HANDS AROUND YOUR THROAT!
