Minna!

Kuruma wa mantan dashi

Su-tsuke-su (suitcase) ni wa bakudan tsumete-iru

Jinsei wa mijikakute, iku michi wa kiken ga o-oi

Dakara odorou

(All Right!)

Everybody pay attention to me

I got the answer, I got the answer

Street walking cheetah with a capital 'G'

So get your hands up

Now get your hands up

Hide your eyes, we're gonna shine tonight

Sub-atomic

Never get the best of me

Ain't a DJ gonna save my soul

I sold it long ago for Rock 'N' Roll

Drop the needle when the tape deck blows

I gotta shout this out so everybody knows!

{CHORUS}

This ain't a party

Get off the dance floor

You want to get down

Here comes a gang war

You're doin' all right

I got the answer

'Cause all the good times

They give you cancer

If we were all like you in the end

Oh, we'd be killin' ourselves by sleepin' in

So hit the lights, I'll do it again

And keep your cars

And your dogs

And your famous friends (Well away!)

Slide up the faders when the cabinet slams

And get your hands up

Now get your hands u-up

Light up the stage and watch me kick up the jams

So throw your fist up
Now throw your fist u-up
Ain't nobody gonna take my life
Ain't nobody gonna get the best of me
Ain't a preacher gonna save me now
Grab a seat
I'm gonna show you how

Everybody hit the pyro cue
We're gonna blow this off
And show you what we do

{CHORUS}

This ain't a party
Get off the dance floor
You want to get down
Here comes a gang war
You're doin' all right
I got the answer
'Cause all the good times
They give you cancer

If we were all like you in the end
Oh, we'd be killin' ourselves by sleepin' in
So hit the lights, I'll do it again
And keep your cars
And your dogs
And your famous friends (Well away, Well away, Well
AWAY.)
(Oh, Oh, Oh, Well Away)

We came to party
Kill the party tonight
We came the party
Kill the party tonight

Let's go!

(Muttering)

This ain't a party
Get off the dance floor
You wanna get down
Here comes the gang war
You're doin' all right
I got my answer
'Cause all the good times (Gimme Gimme Good times,
baby)
This ain't a party
Get off the dance floor
You wanna get down

Here comes the encore
If we were all like you in the end
Oh, we'd be killin' ourselves by sleepin' in
So hit the lights, I'll do it again

So everybody get down! (Everybody get down!)
Till the party breaks down!(Till the party breaks down)
Now everybody get down! (Everybody get down!)

Now everybody get down till the party breaks down
Tonight!
