there might be something outside your window
but you'll just--never know
there could be something right past the turnpike gates
but you'll just--never know
if my velocity starts to make you sweat then just don't
let go
and if their heaven ain't got a vacancy
then we just, then we just, then we just, then we just
get up and go
ladies and gentlemen
truth--is now acceptable
fame--is now injectable
process the progress
this core is critical
faith--is unavailable
lives--become incredible
now--please understand that
i can't slow down
i won't be waiting
for you
i can't stop now
because i'm dancing
this planet's ours to defend
ain't got no time to pretend
don't fuck around--this is our last chance
if my velocity starts to make you sweat then just don't
let go
'cause the emergency room got no vacancy
and we just, and we just, and we just, and we just
get up and go!

chorus:
who--they want you to be
who--they wanted to see
kill the party with me
and never go home
who--they want you to be'
who--they wanted to see
just leave the party with me
and never go home
you're unbelievable
ah--so unbelievable

ah--you ruin everything
oh you better go home
i'm unbelievable
yeah--i'm undefeatable
yeah--let's ruin everything
blast it to the back row
they sell presentable
young, and so ingestible
sterile and collectable
safe--and i can't stand it
this is a letter
my words
the berretta
the sound of my vendetta
against the ones that planned it

if my velocity starts to make you sweat then just don't
let go
'cause the emergency room got no vacancy
tell me who do you trust, do you trust, and we just
get up and go!

chorus:
who--they want you to be
who--they wanted to see
kill the party with me
and never go home
who--they want you to be'
who--they wanted to see
just leave the party with me
and never go home
you're unbelievable
ah--so unbelievable
ah--you ruin everything
oh you better go home

you keep eternity
give us the radio
deploy the battery
we're taking back control
engage the energy
light up the effigy
no chance to take it slow
by now i'm sure you know know know know know
get up and go!

chorus:
who--they want you to be
who--they wanted to see
kill the party with me
and never go home

who--they want you to be'
who--they wanted to see
just leave the party with me
and never go home
you're unbelievable
ah--so unbelievable
ah--you ruin everything
oh you better go home

are we still having fun?
are you holding the gun?
take the money and run
we'll never go home
i've got nothing to lose
you've got nothing to say
and we're leaving today
we'll never go home
go home
