

My Chemical Romance

"Planetary"

Visit "[Planetary](#)" on MotoLyrics.com

There might be something outside your window
But you'll just never know
There could be something right past the turnpike gates
But you'll just never know

If my velocity starts to make you sweat
Then just don't let go
And if their heaven ain't got a vacancy
Then we just, then we just, then we just, then we just
Get up and go!

Ladies and gentleman,
Truth is now acceptable
Fame is now injectable
Process the Progress
This core is critical
Faith is unavailable
Lives become incredible
Now please understand that

I can't slow down,
I won't be waiting for you,
I can't stop now because I'm dancing

This planet's ours to defend
Ain't got no time to pretend
Don't fuck around, this is our last chance

If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy
And we just, and we just, and we just, and we just,
Get up and go!

Who they want you to be
Who they wanted to see

Kill the party with me and never go home!
Who they want you to be
Who they wanted to see
Just leave the party with me and never go home!

You're unbelievable,
Ah - So unbelievable,
Ah - You ruin everything,
Oh, you better go home!

I'm unbelievable,
Yeah - Im undefeatable
Yeah - Let's ruin everything, blast it to the back row

They sell presentable,
Young, and so ingestible,
Sterile and collectable
Safe, and I can't stand it
This is a letter, my word,
Is the berretta, the sound of my vendetta,
Against the ones that planned it

If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vecancy
Tell me who do you trust, do you trust, and we just
Then we just get up and go!

Who they want you to be
Who they wanted to see
Kill the party with me and never go home!
Who they want you to be
Who they wanted to see
Just leave the party with me and never go home!

You keep eternity, give us the radio
Deploy the battery, we're taking back control
Engage the energy, light up the effigy
No chance to take it slow
By now I'm sure you know, know, know, know, know,
(1 2 3 4!)
Get up and go!

Who they want you to be
Who they wanted to see

Kill the party with me and never go home!
Who they want you to be
Who they wanted to see
Just leave the party with me and never go home!

Are we still having fun?
Are you holding the gun?
Take the money and run
We'll never go home

I've got nothing to lose
You've got nothing to say
And we're leaving today
We'll never go home

Go home!
