Now come one come all to this tragic affair  
Wipe off that makeup  
What's in is despair  
So throw on the black dress  
Mix in with the lot  
You might wake up and notice  
You're someone you're not

If you look in the mirror and don't like what you see  
You can find out firsthand what it's like to be me  
So gather 'round piggies and kiss this goodbye  
I'd encourage your smiles  
I'll expect you won't cry

Another contusion, my funeral jag  
Here's my resignation, I'll serve it in drag  
You've got front row seats to the penitence hall  
When I grow up I want to be nothing at all!  
I said

Yeah! Yeah!  
I said  
Yeah! Yeah!

C'mon C'mon C'mon I said  
Save me!  
Get me the hell out of here  
Save me!  
Too young to die and my dear  
You can't!  
If you can hear me just walk away and  
Take me!
